

ReadyPop® Jr., ReadyPop®, ReadyServe® & ReadyServe® Cashless

# Why Choose A Contactless, Self-Serve Popcorn Machine?

# Why Choose A Contactless, Self-Serve Popcorn Machine?

## Contactless Commercial Popcorn Machines from Gold Medal

The best contactless serving solutions for popcorn are here! Commercial popcorn dispensers, like ReadyPop® Jr., ReadyPop®, ReadyServe®, and ReadyServe® Cashless can transform the way you serve popcorn.

### REDUCE LINES

Cut down on long lines. Long lines deter customers meaning you lose potential sales. But a contactless popcorn dispenser gives guests the convenience of a grab-and-go snack.

### SAVE ON LABOR

Save on labor. Minimize labor by allowing customers to serve themselves. Your staff will be able to attend to other responsibilities.

# Why Choose A Contactless, Self-Serve Popcorn Machine?

## CUSTOMER SATISFACTION & SAFETY

Increase customer satisfaction. Customers will appreciate the ability to purchase freshly popped popcorn while maintaining peace of mind with contactless service.

## THE EXPERIENCE

Give guests an experience they can't find at competitors. A popcorn dispenser is a novelty that guests will enjoy.

## RECEIVE BENEFITS

Receive benefits that managers will appreciate. Popcorn brings many advantages, including low costs, minimal labor, and attractive profit margins.

#2783-00-010 ReadyPop® Jr. Back Counter

ReadyPop® Jr. is an 8-oz popper and popcorn dispenser in one convenient unit. Model #2783-00-000 is a front counter model meaning the popper operates and dispenses product from opposite sides of the machine. Model #2783-00-010 is a back counter model, which means the popper operates and dispenses product from the same side of the machine. Both models come with E-Z Klean kettles and the safety of PowerOff® control. All items sold separately.

## ReadyServe® Cashless

#2785-00-012 ReadyServe® Cashless

#2779-00-014 Base with overflow bin (shown/sold separately)

The #2785-00-012 ReadyServe® popcorn cabinet offers self-service at the push of a button. The improved chute design allows for even more flow of product. In addition, the optional #2779-00-014 base with removable overflow bin (sold separately) is user-friendly for emptying any product overflow. The cashless feature allows you to program your menu, pricing and dispense timing, accepting credit card payments.

### Features include:

- Programmable menu settings, pricing, and dispense time
- State-of-the-art, forced-air crisping system to keep popcorn crisp and dry
- Dual auger system
- Eye-catching LED neon sign
- #2779-00-014 base and cabinet sold separately

Offer multi flavors
